TOWN WARRANT

The State of New Hampshire

(L. S.)

To the inhabitants of the Town of Plaistow, in the County of Rockingham, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Town Hall in said Plaistow, on Tuesday, the Fourteenth day of March next, at one of the clock in the afternoon to act upon the following subjects:

1.—To choose all necessary Town Officers for the year ensuing.

2.—To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.

3.—To see if the Town will vote to accept state highway aid, and raise money for the same, amounting to \$350.50.

4.—To see if the Town will vote to accept the repairing state highway fund, and raise \$500.00 for the same,

5.—To see how much money the Town will vote to raise for the observance of Memorial Day.

6.—To see what sum the Town will raise for the support of the public library.

7.—To choose one Trustee for the public library for three years.

8.—To see how much money the Town will appropriate for street lighting.

9.—To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

10.—To choose three Trustees for the Moses B. Dow fund, one for three years, one for two years and one for one year.

11.—Upon petition of Milton A. Smith, "To see if the Town will vote to pay \$5.00 for team per day, and \$2.00 per day for laborers."

12.—To see if the Town will vote to raise the sum of Five Hundred (500) dollars for the purchase and maintenance of one chemical fire extinguisher.

13.—To see if the Town will vote to raise the sum of One Hundred (100) dollars as the salary for the Janitor of the Town Hall for one year.

14.—To see if the Town will raise and appropriate the sum of Five Hundred (500) dollars for the repair of the highway from the Kingston town line to Sawyer brook in Plaistow, N. H.

15.—To see if the Town will raise and appropriate a sum of money to build a new cement bridge at Peaslee's Mill, at Westville.

16.—To see if the Town will raise the sum of Two Hundred (200) dollars to build a new cement bridge at the Atkinson and Plaistow town line.

17.—To see if the Town will raise and appropriate a sum to grade the highway from Pollard Square to the residence of Clarence A. Corning on Sweet Hill road.

18.—To see if the Town will vote to raise Five Hundred (500) dollars, as a sinking fund toward the payment of the town bonds which mature in 1920.

19.—To see if the Town will raise the sum of One Hundred (100) dollars for the purpose of making a water reservoir for fire purposes.

20.—To transact all other business that may legally come before said meeting.

Given under our hands and seal, twenty-sixth day of February, in the year of our Lord nineteen hundred and sixteen:

ARTHUR W. SAWYER,
THEODORE FECTEAU,
WILLIAM P. WARNER,
Selectmen of Plaistow.

A true copy of Warrant—Attest:

ARTHUR W. SAWYER,
THEODORE FECTEAU,
WILLIAM P. WARNER,
Selectmen of Plaistow.

\$650 59

29,000 48

The town has accepted the bequest of \$200.00, left by the late Moses Dow, the interest of which or whatever is needed, to be expended in caring for the two Dow lots in the Plaistow, N. H., cemetery. This sum has been deposited with the Portsmouth Trust and Guarantee Co., Savings Bank, of Portsmouth, N. H.

This item is to form a part of the Town Report each year.

ROY E. PEASLEE, Treasurer.

LIBRARIAN'S REPORT

Books issued from the Plaistow Public Library for the year ending February 15, 1916, are as follows:

Arts,	1
Biography,	21
Poetry,	34
Description,	11
Fiction,	3,551
History,	43
Literature,	28
Miscellaneous,	3
Natural Science,	9
Periodicals,	4
Religion,	1
Sociology,	18
Travel,	20
Useful Arts,	4

Making a total of 3,748 books. This is an increase of 409 books over the total number issued last year.

The largest number of books issued on any one day was 136 on February 5.

One hundred and twelve books have been added to library this year. 59 were purchased by the trustees, 30 were presented by Mr. A. G. Pollard, 9 were presented by Mrs. James Davis, 5 were presented by the Mrs. Mary B. Eddy fund, 9 were New Hampshire reference books, making the total number of books in our library 2,955.

Seventy-six new cards have been issued.

Acknowledgement should here be made to Mr. John G. Moulton of the Haverhill Public Library for the loan exhibits of beautiful pictures, which we have hung in our

library the past year.

Respectfully submitted,

MARGARET T. RYDER,

Librarian.

MAUD SMITH,

Treasurer.

TRUSTEES' REPORT

We would announce to our patrons and to all persons interested that our library is now completely catalogued, according to the modern method, by the use of cards.

Our thanks are due our town officials, who kindly granted us additional funds with which to carry on the work. Thanks are also due our efficient librarian, who, with patience and energy, has performed her arduous task.

We remember also our friends who have kindly contributed a number of valuable volumes.

A book is really a wonderful thing. We could wish that all our patrons realized that fact sufficiently to treat them with the care and respect due them.

Respectfully submitted,

MAUD C. SMITH,
NELLIE G. HILLS,
ANNIE L. DOW,

Trustees.

NEED OF FIRE PROTECTION

To the voters of the Town of Plaistow, N. H.:

Feeling the need of some form of fire protection in this town, several informal meetings were held in July last by the citizens to consider this matter, the outcome of which an organization was formed August 9th, with the regular officers and executive board under the name of the Plaistow Volunteer Fire Company. Its object being better fire protection, an active working organization for the best interests of the town, under their suggestion and supervision the hand tub has been overhauled and put and kept in first-class condition. 200 feet of hose have been added to the 450 feet on hand, and found to be in fair shape. This is only a very small beginning towards an adequate department, which will give the proper protection we need.

We have a village, the best in the state and would seem almost criminal not to protect our property and our beautiful shade trees, which, if destroyed by fire, would be a great loss to the town.

After some investigation as to what was the best at the smallest cost which would give somewhere near adequate fire protection, it seemed best to bring to the notice of the voters of the town the advantages of a double tank chemical engine, either horse or hand drawn. This class of an engine has been proven to be very efficient and in 75 per cent. of the fires that occur during the year, being particularly effective in wood or brush fires. The care and upkeep is small and the engine is always ready for action. While we are very fortunate in having the city of Haverhill, with a very efficient fire department, willing

to respond to our calls, it seems as if, in a measure, we should be able to take care of our own needs.

We most earnestly invite the co-operation of every citizen in this matter of fire protection and extend a most cordial welcome to everyone to attend its meetings and try-outs, which are held every month. These meetings we shall endeavor to make instructive and a benefit to the citizen and a credit to our town.

W. C. LIBBEY, President.

ANNUAL REPORT OF THE BOARD OF EDUCATION OF THE TOWN OF PLAISTOW

The length of the school year has not been changed, Accepting the view of many prominent educators, we believe that thirty-six weeks of school in a year is sufficient in the country towns. Our sessions are longer than in most of the city schools, therefore our pupils are in the school room nearly as many hours as those where forty weeks of school are held.

We are using the course of study adopted by the State Department of Public Instruction, and while there is always a chance to improve we feel that we are getting good results, and that our schools are well up to the standard.

The Westville school is growing fast and it is only a question of time when the district will have to build an addition, making it into a two-room building. New seats and desks are badly needed at this school.

At the last annual meeting it was voted to build a new outbuilding, two hundred dollars being appropriated for the same. The board, after securing plans, advertised for bids, Mr. Wallace Keezer and Mr. Charles Ball bidding on them. Mr. Keezer's bid was \$194.01. Mr. Ball's bid was \$182.80. The contract was awarded to Mr. Ball, who erected the new outbuilding. This was a badly needed improvement. The new building is sanitary and convenient. We believe it has also added to the outside appearance of the building.

There are 233 children registered, 186 of them in the Pollard school. It is well for us to recognize the fact that

our town is growing fast, consequently our schools are growing, too, and their capacity is being heavily taxed.

It will be necessary in the near future to enlarge the Pollard school building:

Fire extinguishers have recently been placed in all five of the school rooms and also in the basement at the Pollard school house. We recommend that fire escapes be placed on this building.

We have had very few complaints in regards to transportation from the South end district and from the North Main street district. Westville, however, is constant and emphatic in their demand for transportation.

Owing to the fact that we received more money from the state than ever before, we have a large balance on hand. We recommend that \$700.00 of this be used to reduce the indebtedness of the district.

We feel very grateful to Mr. Arthur G. Pollard of Lowell, Mass., for repainting the flag pole on the Pollard school house, and for the new flag and backstop for the baseball ground. We also appreciate the beautiful piano that he gave to the school. We feel at times that Mr. Pollard is interested in our schools more than we ourselves are.

In retiring from the School Board, I wish to thank all in any way connected with work in or for the public schools for their earnest endeavor and faithful service to the district, and extend to my successor, whoever he or she may be, my hearty good will.

Respectfully submitted,

HARRY W. FLANDERS,

Chairman of School Board.

MARGARET T. RYDER, Sec.

PRINCIPAL'S REPORT

To the School Board and citizens of Plaistow:—

Although having been with you but a short while, allow me to submit a brief report concerning the schools of Plaistow and their work.

The schools at the beginning of this year showed a large increase in the number of pupils enrolled. The largest number enrolled at the Pollard School has been 186; at Westville, 47; making a total of 233. This shows that all the rooms are being taxed to their limit.

It seems to me, if the increase continues, a more adequate provision will be needed for certainly a teacher cannot do justice to herself, or give individual attention to her pupils if she has oversight of too many children.

Just a word to the grading of the pupils. On an average they do not seem to be up to grade, due largely to the change in the course of study. However, this is a circumstance that will eventually work itself out, I believe.

The playground is another factor which enters into the school proposition. Although the grounds are spacious and ample, yet some apparatus placed there would be much appreciated by all concerned, and most of all by the children themselves. I presume to say the standard of the school would be higher both morally and physically. We must remember that school boys and girls are living in an age of action not only in themselves, but the whole world bespeaks "activity" on every side. Why then, should not the children be given ways and means to work off their abundant energy in a sane and proper way?

Furthermore, let me urge the hearty and sincere co-operation of the parents. You can do so much toward helping your own child. The teacher cannot during a few hours a day accomplish very much for a child unless

the influence and environment at home is such that will encourage him to his best efforts. And of course without effort there is not much gain.

The following statistics cover the year ending July 15, 1915:—

	School	
	Pollard	Westville
Number of pupils enrolled,	164	47
Average attendance,	127	39
Average absence,	10	2
Average membership,	137	41
Per cent. of attendance,	.92	.94
Number of tardy marks,	203	148
Visits by parents, citizens and others,	267	64
Number of pupils perfect in attendance,	4	1

The following figures relative to the fall term of 1915 show an increase in the number of absences and tardy marks, and a decrease in perfect attendance as compared with the fall term of 1914. More effort therefore should be made to maintain more perfect attendance.

	School	
	Pollard	Westville
Number of pupils enrolled,	186	47
Average attendance,	156	44
Average absence,	13	2
Average membership,	169	46
Per cent. of attendance,	.92	.93
Number of tardy marks,	79	49
Visits by parents, citizens and others,	59	40
Number of pupils perfect in attendance,	20	5

Before closing my report, I wish to thank the members of the School Board for their loyal and hearty support during the year thus far.

Respectfully submitted,

ELSIE A. SILVER,

Principal of Pollard School.
